

Against LPFM.

K-LOVE serves me as a resident of the local community.
If K-LOVE was displaced by an LPFM it would lose listeners,
and supports.

K-LOVE is in the public interest because it is the people
that support the station because they get to hear what
they want to hear and not influenced by other's values.
The people's freedom should not be taken away from them.
We are fine with the way things are running - don't fix
what isn't broke!
